

Hollandse Hoogtes – Cultivation Assistant

What you will do

We are in a start-up phase, so you'll have the chance to learn a lot and help build a professional cultivation environment. Experience with cannabis is a plus; interest in plants and cultivation is required.

- Work with different types of cannabis plants
- Care for mother plants, trim and check cuttings, plant seedlings, perform plant maintenance, and assist with harvest
- Keep your workspace clean and follow hygiene and quality rules

You will work in a committed team of cultivation employees and supervisors, where we set high standards and continuously improve our cultivation process.

Who we are looking for

- Interest in plants and comfortable with walking and physical work
- English speaking; Dutch is a plus
- Accurate, motivated, and takes work seriously
- Experience is a plus, but motivation and attitude matter more
- Flexible and willing to work weekends when needed

What you can expect

- Full-time position (40 hours/week)
- Competitive salary depending on experience and knowledge
- 25 vacation days, 8% holiday allowance, and pension scheme
- Travel allowance of €0.23 per km (max 50 km one-way)
- Work in a new environment in a growing, regulated market
- Plenty of room to grow, learn, and help make history
